

THE PERSONAL ROBOT

*Last Updated: Oct 27<sup>th</sup> , 2021*

Temi robot OS version 126 Release notes

*temi* should prompt a message saying that an update is available, if *temi* doesn't display the message please go to **Settings** and tap **Software update** to update your *temi*.

If *temi* prompts "no pending updates" please contact our Help Desk via our [website](#) or at 833-902-0202.

To verify your *temi* has been updated, go to *Settings* > *About* and make sure that:

**"Launcher OS" shows 15567**

**"Robox OS" shows 126.18**

To verify your **mobile app** is the most updated version - go to the About tab **in the temi mobile app** and verify your version number is as follows:

**iOS users - Version 1.3.8526**

**Android users - Version 1.1.49**

For full details regarding this update and the new and improved features, please refer to our [User Manual](#), the [temi Center User Manual](#) and [tutorial videos](#) .

Here are some of the main improvements this update will bring into your *temi*:

**temi Center:**

- Sequence(s) from "my sequences" can be sent to a *temi* you are only a member of (Permission is required from owner).
- Sequence - ability to add templates of *temi* faces
- Ability to adjust the map view
- Custom *temi*'s voice response when triggering the wake-up word
- Contacts of the owner will not see by default. It will need the user to add on *temi* center.
- Custom wake word (request your new custom wake word from our support)
- Additional Sensors Settings menu
- Custom Screen
  - New layouts
  - Colors customization
  - Preview
  - Open app from a function button

- Ability to set an animated GIF as the home screen and background of buttons
- Minor bug fixes and improvements

For additional information regarding temi Center and its features, please refer to temi Center User Manual [Here](#).
